Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer Comment: This is a necessity for everyone and proposed residential delivery charge increase will create even more tension for many who are already being nickel and dimed from every direction. Allowing this will create much debate about those in charge overseeing this stunt and whom might be better suited from the people's best interest because this is a direct conflict of that.
