DOCKETING CASE #:21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Record inflation and Columbia Gas wants a 27% price hike?! This is untenable, I can't afford a gas hike, \$5 gas for my car, wage stagnation, and general inflation of groceries! Why is this price not based on usage? What is this increase going to pay for? Bloated admin costs? CEO profits? I cannot believe Columbia gas has the audacity to propose this. This price hike is supposedly on top of actual gas usage and is ridiculous. Almost 90% of my bill is surcharges and fees rather than actual gas usage. I'm so frustrated by this. Please do not allow them to move forward, it's shameless of them.
