DOCKETING CASE #:

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: This proposed price increase on gas is outrageous. Families are already struggling to pay bills, and there is no reasonable justification for this increase other than profit. I do not have a choice on my gas provider and therefore have no ability to do anything other than pay whatever Columbia decides to charge. Please do not allow this to happen.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
