CUSTOMER COMMENTS:

"I am ready to oppose the proposed rate increase for Columbia Gas. A \$30 a month increase for just distribution costs is not only ridiculous but it's adding to the pain that many consumers are currently feeling as gas prices are through the roof as are food costs. We fully expect that the cost of gas itself will increase this year so to add to that isn't sustainable for many in our community. People are already choosing whether to put food on the table or drive to work, they shouldn't have to choose to treat their house."

Please do not approve their request."
