DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I have been made aware of Columbus Gas and their intention to raise rates by 27%. This level of increase is unacceptable from a consumer level. More and more Ohio families are financially burdened due to global mass inflation as a result of the pandemic. Columbia Gas should be denied this extreme rate increase.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
