DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case
Delivery Charge Increases

I am on the budget payment plan with Columbia Gas and they already increased my monthly bill by \$20 a few months back. Now they want a 27% delivery charge increase. This should not be allowed during a time when people are already strapped financially due to gasoline price increases and record high inflation rates. It's almost like a Monopoly because I can't choose another Gas company to deliver my gas. Without competition for gas delivery, they can take advantage of the people. We need you to protect us and say no to this increase. They are making millions in PROFIT already and should not be allowed to make millions more in profit at the expense of their customers who can barely pay their bills right now as it is.
