CUSTOMER COMMENTS:

*"Gas bills are high enough for people to have to pay !
When you are a single person with only one income it's hard to pay all the bills !
Then if all these utilities keep increasing our cost , how will we be able to heat or cool our homes! Seems like the little guy gets taken advantage of all the time !! I have been working for 46 years & I can't afford to even think about retirement & especially not when utilities increase & the pay doesn't !!*

Please think about the little guy & not your wallets !!"
