SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer Comments: The proposal to increase gas service charges by triple are alarmingly breathtaking. To consider affording that are inconceivable especially in these times. To hear of excess considerations like workout facilities and the like are disturbing at best.
