This information is not the opinion of Staff and should not be viewed as such.

Comment: the base rate increase that Columbia Gas is asking for is an atrocity. In Ohio there is very little demand for gas during the summer. are you seriously ok with the idea that a residence that may be using gas for heating water or cooking will pay \$80 a month minimum in five years? that's insane. I will pull my gas meter before that's ever going to happen.
