DOCKETING CASE #: 21-0637

SUBJECT: Proposed Columbia Gas hike

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer Comments: Columbia Gas should NOT be allowed to hike gas just to jump on the inflation bandwagon. I don't know how much consumers are expected to take. Middle class people can barely afford to live right now much less those who before the pandemic were already struggling. A modest single digit hike is somewhat acceptable but 27% is price gouging and should be illegal especially during times like these.
