DOCKETING CASE #: 21-0637

SUBJECT: Columbia Gas of Ohio - Rates & Tariffs

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Raising the price per unit is serious. It's company greed at its finest and makes it so basic people can't afford to live. What happens with the elderly on a budget, or single parents barely scraping by to get by? But you have a multi million dollar company maki millions and then still rising. It's frustrating and disgusting.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
