Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I am opposed to a dramatic price increase by Columbia Gas. Customers should not be paying for employee workout facilities, etc! Customers should not be 100% responsible for this company profits. Way too much and way too high!!!! Just be reasonable, please.
