DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: I just saw the story about Columbia Gas seeking to increase their monthly distribution charge. This is outrageous. A small increase I could see but looking to triple the fee is ridiculous. I am sure they are making substantial profits already, perhaps they should reinvest those profits into the company instead of bonuses for executives. I can choose a different supplier for the gas and try to lower the cost of the gas itself, but I have no choice in how that gas gets to my house. Plus, this is a charge I have to pay even if I do not use gas for the month. Please do not all this increase to go through.
