The customer's comments are below:

Our economy has hit an all time high misery index, people can barely afford groceries, they can barely afford gasoline to go to work, now you want to be the one to make sure, that they will be cold also. How much greed does it take for this country to realize that we are a sinking ship. I think you should give some serious thought, into the fact, that you are punishing the people who have paid your salary for years. total disregard for anyone is all I can see. This entire country is in the I.C.U. on life

support and you are about to pull the plug, the country is watching the  
GREED!!!!!!!!!!!!

Sincerely,

Mike Lombard
