SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The Columbia Gas proposed service charge increase is insane, especially right now. At a time with nationwide shortages, inflation, gas price spikes and insecurity, to ask for a service increase that would end up increasing profits is ridiculous. Let them take from their current profits instead of people already struggling to pay their bills. I used less gas this winter than last winter, yet my bills were consistently \$50 or more higher. Natural gas is already costly enough.
