SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbia Gas is going to try to raise rates by 3x, as their profits and stock prices are up by 300% or more. This is ridiculous, they have no shortage and have no "price increases per market demand" excuse. We can't take much more of this bullshit.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
