SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"The rate hike requested by Columbia Gas seems excessive. I am retired and on a fixed income. With the inflation we are currently facing as well as the increased cost of gas, both of which it appears will continue into the future, we can not afford a rate increase of this magnitude on our limited budget. We ask that consider our position and that of other retired couples when reviewing this rate increase request."

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
