Description: You are a bunch of political appointees who have no qualifications for your job, and you never protect the public from huge price increases. You serve no purpose. Endorsing a \$60.41 increase for a residential customer using 1000kWh per month is just one example. How much more corrupt can you possibly be? Were you offered sex, money, a paid vacation? There is a special place in hell waiting for you.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
