DOCKETING CASE #:21-0637

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

This is not a good time to propose a service charge increase that would increase profits for Columbia Gas and gouge Ohio residents out of their hard earned money. The country is already dealing with record inflation, supply shortages, and sky rocketing gas prices that are hurting families financially. This is corporate greed and should not be tolerated by the P.U.C.O.
