DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: It is unreasonable that CGO is planning to triple it's fixed monthly costs to residential customers immediately, with further increases planned. Although inflation hits everyone, including large utility suppliers, it seems that a more reasonable method of covering costs would be to increase the price of the gas itself. This would allow those who cannot afford the increases to have some ability to modulate their bills, as opposed to being forced to pay the fixed fee.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
