**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I strongly object to this proposed rate hike. Given the current inflation, homeowners cannot absorb the cost of tripling the rate of a utility that at certain times of the year is necessary to survival. It's egregious and exploitative to Ohio consumers. Please deny this request.
