DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: Columbia Gas is experiencing record breaking profits, they should absolutely not be raising their prices. Completely unnecessary and I would be happy to file a class action lawsuit against them for intentionally hurting the people they serve.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
