SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Increasing our gas prices could not be coming at a worse time. Many Ohioans have not fully recovered from the shut downs and food price hikes in the last two years. There is no reasons for the triple price increase and I want to lodge a complaint. This feels like price gouging and will cause hardship for many families across our state including mine. I am against this price increase and ask that it be forestalled.
