Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Wanted to voice my concerns about the price increase that Columbia Gas is proposing .I do not support the increase and with no others options in the area it will cause financial difficulties. I know programs are available for low income but those of us who are considered middle class get no help what so ever
