Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"A 27% permanent monthly hike in service delivery charges is outrageous and unsustainable. You are reacting with the current, rampant corporate greed because you are only thinking of your shareholders gain, not delivering better services. This is sheer GREED. The economy cannot much more of this type of greed. Just stop!!!"
