Totally AGAINST Columbia Gas rate increase proposal!!! Raising this much is absolutely intolerable! They got tons of COVID relief funds from the Federal during the pandemic that they could had used it to patch up their facilities or to compensate any lost (so they claimed) profits but yet, they decided to pocket all to the top executives, now they are asking for more??? What a shitty company. Now they are using their political power to leverage even more greed and suck up from their customers! We need more gas delivery compactors in central Ohio and cannot let them play monopoly in the area.
