SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: While we realize Columbia Gas can petition for a rate hike, and understand that they have not raised base rates since 2008, we object to a monthly base rate increase of such magnitude to \$46.31. We suggest a more reasonable increase of around 50% to \$25.00 monthly. This current proposal must not be allowed to pass. Thank you, David & Tamar Chute
