DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: No rate fixed rate hike is necessary. They have plenty of money, and could easily reduce their in house costs to account for their "shortfall". Additionally, with inflation and recession, raising fixed rates now, and in the future isn't possible for consumers to take on. Consumers should be incentivized with lower fixed costs to reduce the use of natural gas and other fossil fuel uses to support the fight against climate change.
