SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"The PUCO and Columbia Gas need to think of the average consumer and see the negative impact the proposed rate increase will have on them. Columbia can seek savings, including elimination of excess luxury spending and outrageous salaries for the top 10% of the paper shufflers including CEO. They should not receive any increase, but should be required to take 15% reduction to make ends meet. How can someone call a 27% increase when the consumer rates will increase 200% and almost double again in 5 years. Pure greed and no sense of reality. Regards"
