Re: *GM Electric, Inc. v. United Energy Trading, LLC d/b/a Kratos Gas & Power and The East Ohio Gas Company d/b/a Dominion Energy Ohio*, Case No. 22-476-GA-CSS

Dear Attorney Examiner Lynn:

On May 23, 2022, our law firm filed and served an Answer to the Complaint of GM Electric, Inc. on behalf of our client, The East Ohio Gas Company d/b/a Dominion Energy Ohio (DEO), in the above-captioned proceeding. The other party to this proceeding is United Energy Trading, LLC d/b/a Kratos Gas & Power (Kratos).

On June 15, 2022, our service letter to GM Electric was returned to our offices, having been marked "Return to Sender," at which point we discovered that the city, state and zipcode for the Complainant in the Answer's Certificate of Service and service letter were inadvertently mislabeled. Through this filing and correspondence, we are acknowledging that error and mailing GM Electric a copy of DEO's Answer. Given that no actions are generally contemplated to follow the submission of the Answer, and that the proceedings remain at an early stage, we do not believe this error prejudiced any party. Please do not hesitate to contact me with any questions.

Respectfully submitted,

/s/ Christopher T. Kennedy  
Counsel for The East Ohio Gas Company d/b/a  
Dominion Energy Ohio
