This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

I am opposed to the idea of giving Columbia Gas a 27% rate increase. My employer has no plans to give anyone a 27% pay increase, so I am wondering how I could afford an increase like that in my natural gas bill. I will soon be 66 years old and am thinking about retiring, but with crazy stuff like this I may not be able to do so. If they really need 27%, let them get Joe Biden to pay for it. He's the one that caused this mess.
