Dear Barbara Quigley:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding Columbia Gas of Ohio, Inc. (Columbia Gas) and its application to increase its rates.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. Great care is taken to review the utilities' financial records to make certain that the rates set do not result in the over-collection of revenue.

On June 30, 2021, Columbia Gas filed an application to increase its distribution rates. Columbia Gas has also requested various changes to its tariff and the continuation or addition of several riders.

The PUCO staff is in the process of investigating the facts and issues in the company's application and preparing a staff report. A local public hearing will be also be scheduled. The PUCO will fully examine all issues and evidence presented before it comes to a decision in this case.

The company's application and all related documents are available at www.PUCO.ohio.gov, case no. 21-0637-GA-AIR. Click on the link to "Docketing information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.
