SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"I am writing this with sincere urgency. A rate increase will make things for my family along with many others more challenging. Inflation continues to make full time employed families like mine struggle from paycheck to paycheck right now. I do not believe that a rate increase for our services through Columbia would be conducive. Please reconsider this."
