DOCKETING CASE #: 21-0637

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"From my understanding Columbisb gas is requesting a significant increase and I disagree and find no reasonable indication that this what I believe is a 27% rate hike should be allowed. It is reasonable to fall in line with an increase based on inflation rate at the time but what they are asking is unacceptable."
