I have tried my best to explain it to the transportation department of Ohio state, I have also send my valid truck license permit but the transportation department of Ohio state is not accepting it. I have also went to my local DMV and also made couple calls to head office of DMV Sacramento California regarding my license in their system my license is valid and I am good to drive. Codes, Violation Groups, and Forfeiture Amounts

"Code" in this notice identifies the rule violated. Numbers in a 100 or 300 series refer to specific sections of the Hazardous Materials Regulations or the Federal Motor Carrier Safety Regulations located in Title 49 of the Code of Federal Regulations (CFR). Some section numbers may have suffixes beyond those appearing in the CFR. These are used for internal data collections purposes. Codes in other formats refer to violations of Ohio's statutes or regulations.

"Violations Group" identifies the assigned numerical group (1-4) for the violation for purposes of calculating the civil forfeiture. Section 4923.99, Ohio Revised Code (ORC) authorizes the Public Utilities Commission of Ohio to assess civil forfeiture up to \$25,000 for each day of each violation. The amount of any forfeiture is dependent upon the nature, gravity, circumstances, and extent of the violation, the offender's degree of culpability for the violation, and the offender's violation history. "Total Amount Due" is the total amount of the civil forfeiture assessed for all violations described in this notice.
