SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"Columbia gas is attempting to increase a fixed delivery rate of \$80/month even if a customer uses no gas at all. This is a huge increase. In the last year I have had shut offs and gas bills larger than my rent and there is no way my self or almost anyone in my neighborhood or income level can afford this. I am a full time union worker so I could not imagine how anyone making minimum wage could afford this. Stop Columbia Gas from making this ridiculous increase just to make a profit while gas prices are already soaring."
