This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. "I straight up cannot afford to fund Columbia Gas of Ohio's distribution rate increase. Absolutely insane and I will straight up have to abandon natural gas appliances if it comes to that. Sometimes I don't even spend \$45 on a single month of natural gas. I should be able to control my bill through conservation and this flat rate increase would have a disparate impact on modest size homes like mine, in low income neighborhoods like mine. No!!!"
