Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"I cannot afford this price increase:

Columbia Gas proposed tripling its current (fixed) monthly distribution charge from \$16.75 to \$46.31.....in five years they have quoted up to \$80 per month in fixed charges, even if you use ZERO units of natural gas. Doing this robs you of your ability to manage expenses by reducing your usage. "
