SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The proposed gas service rate hike is more than many people can afford at this time. Proposed Rates for distribution and service should not be increased so much while companies are doing so well. Find a way to work smarter like the rest of us please

Dear Alice Waldhauer:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding Columbia Gas of Ohio, Inc. (Columbia Gas) and its application to increase its rates.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. Great care is taken to review the utilities' financial records to make certain that the rates set do not result in the over-collection of revenue.

On June 30, 2021, Columbia Gas filed an application to increase its distribution rates. Columbia Gas has also requested various changes to its tariff and the continuation or addition of several riders.

The PUCO staff is in the process of investigating the facts and issues in the company's application and preparing a staff report. A local public hearing will be also be scheduled. The PUCO will fully examine all issues and evidence presented before it comes to a decision in this case.

The company's application and all related documents are available at www.PUCO.ohio.gov, case no. 21-0637-GA-AIR. Click on the link to "Docketing information System" (DIS).
