**DOCKETING CASE #:**21-0637

**SUBJECT:** Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Regarding PUCO Case 21-637, this price increase should be phased over a longer term, than tripling the rate right away. This will affect many people who are already having problems paying bills due to inflation. It should not be passed and the matter needs to be revisited.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
