SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbus Gas is proposing tripling its distribution charges. This means that at a certain point, even a reduction in usage will result in an expensive bill. I know of no one who has income that's tripling. I cannot afford this. My community cannot either.
