Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"The proposed TRIPLING of the gas distribution fee is outrageous. Columbia Gas is responsible for making repairs and improvements BEFORE paying corporate shareholders dividends. Most middle income folks will be unable to bear this cost without decreasing their food budgets and other necessities. Just say NO to this request."
