Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

"I am not in favor of the 27% rate/ \$212 million increase for gas. This is way to much money for Columbia gas to raise rates. It was stated a triple amount of a current customers bill. I am in favor of PUCO more reasonable rate increase."
