SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

CUSTOMER COMMENTS:

While a rate hike is warranted, I strongly object to ANY increase in the base charge (before usage). I already pay more than \$30/month for the privilege of having a gas line to my house. Any rate hike beyond that should not exceed 25%
