**SUBJECT:** Monthly distribution fee increase

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Description: Monthly distribution fee increase I am opposed to tripling the cost of gas service. The proposed increase comes at a time where costs of everything have gone up and have left many families struggling economically. Given that this increase isn't even for actual gas rates or usage but is instead a service fee, it is particularly unwarranted and unwelcome.

Case Number: 00764812

Dear Natalie Parscher:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding Columbia Gas of Ohio, Inc. (Columbia Gas) and its application to increase its rates.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. Great care is taken to review the utilities' financial records to make certain that the rates set do not result in the over-collection of revenue.

On June 30, 2021, Columbia Gas filed an application to increase its distribution rates. Columbia Gas has also requested various changes to its tariff and the continuation or addition of several riders.

The PUCO staff is in the process of investigating the facts and issues in the company's application and preparing a staff report. A local public hearing will be also be scheduled. The PUCO will fully examine all issues and evidence presented before it comes to a decision in this case.

The company's application and all related documents are available at [www.PUCO.ohio.gov](http://www.PUCO.ohio.gov), case no. 21-0637-GA-AIR. Click on the link to "Docketing information System" (DIS). You can then enter the case number in the "Case Lookup" search field. Additionally, I have filed your comments in the case docket; as a result, your comments will form a permanent part of the record.

Should you have any additional utility-related questions, please do not hesitate to contact the PUCO Call Center at (800) 686-PUCO (7826) or visit our website at [www.PUCO.ohio.gov](http://www.PUCO.ohio.gov).

Sincerely,
