DOCKETING CASE #: 21-0637- GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Columbia Gas has made a request to increase their rates by 27. Part of the proposed rate increase includes requests to charge consumers for certain executive bonuses and a \$300,000 exercise facility at the utility's headquarters. The CEO of Columbia Gas's parent company made \$9.5 million in compensation in 2021. Why should the consumers fund a gym and bonuses? Shame on the PUCO if this is approved!

Dear Tammy Weaver:

Thank you for contacting the Public Utilities Commission of Ohio (PUCO) regarding Columbia Gas of Ohio, Inc. (Columbia Gas) and its application to increase its rates.

The PUCO is responsible for ensuring that utilities across the state provide safe and reliable services. Great care is taken to review the utilities' financial records to make certain that the rates set do not result in the over-collection of revenue.

On June 30, 2021, Columbia Gas filed an application to increase its distribution rates. Columbia Gas has also requested various changes to its tariff and the continuation or addition of several riders.

The PUCO staff is in the process of investigating the facts and issues in the company's application and preparing a staff report. The PUCO will fully examine all issues and evidence presented before it comes to a decision in this case.

The company's application and all related documents are available at www.PUCO.ohio.gov, case no. 21-0637-GA-AIR. Click on the link to "Docketing information System" (DIS).
