**RE: Ohio Gas Company, Right-of-Way Rider
Case No. 22-257-GA-RDR**

Dear Secretary Troupe,

Ohio Gas Company ("Ohio Gas") accepts Staff's recommendation that the Commission approve the Right-of-Way Rider subject to removal of implementation costs and adjustments to two expenses.

On June 16, 2022, Staff filed its Review and Recommendation (Staff Report). Staff recommended that the Commission approve the Application filed by Ohio Gas to update the Right-of-Way Rider subject to Staff's recommendations. The recommendations included removal of implementation costs and adjustments to two expenses. With Staff's recommendations, the revenue requirement for the Right-of-Way Rider would be \$629,935. While Ohio Gas disagrees with Staff's recommendation on the implementation costs, Ohio Gas accepts the recommendation. Accordingly, Ohio Gas respectfully requests that the Commission approve the Application subject to Staff's recommendations.

Sincerely,

/s/ Bryce A. McKenney
