DOCKETING CASE #: 21-0637-GA-AIR

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer Comments: It will drastically and detrimentally impact Ohioians, especially single parent households already struggling in this economy. While we appreciate "Columbia Gas has not requested a base rate increase since 2008, over 14 years ago" TRIPLING the base rate will be CRIPPLING for many homes. For any increase, there has to be a cap for how high. It's astounding. No wonder there are so many "supplier" / co-op groups going door to door.

This message and any response to it may constitute a public record and thus may be publicly available to anyone who requests it.
