Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

The customer's comments are below:

They should not have the right to charge us a specific amount per month even if we have no gas usage for the month. We should be charged based on what we use as we are now. We should be able to lower our bill by lowering our gas usage. We can not afford this.

Sincerely,
