DOCKETING CASE #:

SUBJECT: Columbia Gas of Ohio - Protest Rate Case

Please docket the associated customer comment and/or attached in the case number referenced above under "Public Comments". This information was received by the Consumer Services Division through alternate channels and is being forwarded to be filed formally. This information is not the opinion of Staff and should not be viewed as such.

Customer called in to protest the rate increase. "I oppose any rate increase on my CGO bill currently 16.75 fixed monthly distribution charge, whether I turn on the thermostat or not. This is not right to charge people when they are not using any gas or heat. I'm a senior and on social security, I am on a fixed income and can't afford my bill to be any higher. I've had CGO for 52 years, but now they want to prevent me from having control of my thermostat, to lower it my gas bill." I advised I would document her concerns. Sending to docket. ICB.
